LETTER FROM THE BOARD

6. RESPONSIBILITY STATEMENT

This circular, for which the Directors of the Company collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, to the best of their knowledge and belief, the information contained in this document is accurate and complete in all material respects and not misleading, and there are no other matters relate to the Company the omission of which would make any statement herein or this circular misleading.

Yours faithfully,
For and on behalf of the Board
China South City Holdings Limited
Cheng Chung Hing
Co-Chairman & Executive Director

This appendix serves an explanatory statement, as required by the Listing Rules, to provide the requisite information to you for your consideration in respect of the Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the Company has a total of 5,979,564,000 Shares in issue and a total of 180,000,000 share options carrying the rights to convert up to 180,000,000 Shares had remained outstanding. If the share options are exercised in full prior to the date of passing of the resolution in respect of the Repurchase Mandate, a further 180,000,000 Shares will be in issue. Subject to the passing of the relevant resolution(s) as set out in the notice of the AGM and assuming that no further Shares are issued or repurchased by the Company, the Directors will be authorized to repurchase up to 597,956,400 Shares (being 10% of the issued share capital of the Company as at the date of the AGM) pursuant to the Share Repurchase Mandate during the period ending on the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by law to be held; or (iii) the revocation and variation of the authority given under this resolution by an ordinary resolution of the Shareholders in general meeting. Assuming that rights attached to all outstanding share options are exercised in full on or before the date of passing of the resolution in respect of the Repurchase Mandate and assuming no further Shares are issued or repurchased by the Company, the total number of Shares in issue will be 6,159,564,000 and the Directors will be authorized to purchase up to 615,956,400 Shares.

2. REASONS FOR REPURCHASE

The Directors believe that it is in the best interests of the Company and its Shareholders to seek a general authority from the Shareholders to enable the Company to repurchase its Shares on the Stock Exchange. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purposes in accordance with its Memorandum and Articles and the Companies Ordinance. The Companies Ordinance provides that the amount of capital repaid in connection with a share repurchase may only be paid from the distributable profits of the Company and/or the proceeds of a new issue of Shares made for the purpose of the repurchase to such extent allowable under the Companies Ordinance.

4. IMPACT OF REPURCHASES

There might be material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report for the year ended 31 March 2010) in the event of the Repurchase

Mandate were to be carried out in full. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have material adverse impact on the working capital requirements of the Company or the gearing levels which, in the opinion of the Board, are from time to time appropriate for the Company.

5. SHARE PRICES

The following table shows the highest and lowest prices at which the Shares have traded on the Stock Exchange since 30 September 2009, being the IPO Date to the Latest Practicable Date:

6. GENERAL

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates, has any present intention to sell any Shares to the Company, if the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will only exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of Hong Kong in the event that it is granted by the Shareholders of the AGM.

The Company has not been notified by any connected person that such a person has a present intention to sell, or has undertaken not to sell, any Shares to the Company, if the Repurchase Mandate is approved by the Shareholders.

7. EFFECT OF THE TAKEOVERS CODE

If as a result of a repurchase of securities, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert, depending on the level of such increase, may obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, Accurate Gain Developments Limited and Proficient Success Limited are the substantial shareholders of the Company and collectively hold 2,456,508,558 Shares. Mr. Cheng Chung Hing and Mr. Cheng Tai Po (both are the Directors) collectively hold 100% interests in Accurate Gain Developments Limited and 80% interests in Proficient Success Limited. Including the personal interests of Mr. Cheng Chung Hing and Mr. Cheng Tai Po in the Company, they will be deemed to be interested in an aggregate of 2,471,444,558 Shares, representing 41.33% of the issued share capital of the Company. In the event that the Directors exercise in full the power to repurchase Shares under the Repurchase Mandate and if there is no other change in the issued share capital of the Company, their collective shareholdings in the Company will be increased to approximately 45.92% of the issued share capital of the Company. Such increase may give rise to the respective parties to make a mandatory offer under Rule 26 of the Takeovers Code.

Save as aforesaid, the Directors are not aware of any consequences of any purchases made under the Repurchase Mandate which may arise under the Takeovers Code.

8. SHARE REPURCHASE BY THE COMPANY
