### 2. VARIOUS MANDATES

On 23 June 2017, resolutions for the General Mandate, the Repurchase Mandate and the General Extension Mandate were passed by the Shareholders and all the aforesaid mandates will lapse at the conclusion of the forthcoming AGM.

#### (a) General Mandate

An ordinary resolution will be proposed at the AGM to approve the granting of the General Mandate. An ordinary resolution will be proposed at the AGM to approve the granting of the Repurchase Mandate. ### 3. RE-ELECTION OF DIRECTORS

In accordance with Article 108 of the Articles, at each annual general meeting of the Company, not less than one-third of the Directors for the time being shall retire from office by rotation and, under code provision A.4.2 of the corporate governance code of the Company, every Director, including those appointed for a specific term, shall be subject to retirement by rotation at least once every 3 years. ## **APPENDIX I      EXPLANATORY STATEMENT ON REPURCHASE OF SHARES**

---

This explanatory statement contains all the information required pursuant to Rule 10.06(1)(b) and other relevant provisions of the Listing Rules to enable the Shareholders to make an informed decision on whether to vote for or against the ordinary resolutions to be proposed at the AGM in relation to the new Repurchase Mandate.

### **1.    SHARE CAPITAL**

As at the Latest Practicable Date, the total number of issued Shares was 1,016,189,000, all of which had been fully paid or credited as fully paid.

Subject to the passing of the resolution granting the new Repurchase Mandate and on the basis that no further Shares will be allotted and issued or repurchased from the Latest Practicable Date to the date of the AGM, the Directors would be allowed under the Repurchase Mandate to repurchase up to 101,618,900 Shares, representing 10% of the number of the issued Shares as at the Latest Practicable Date, during the period from the date of resolution granting the Repurchase Mandate until the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by law or the Articles to be held; and (iii) its revocation or variation by ordinary resolution of the Shareholders in a general meeting.

### **2.    REASONS FOR REPURCHASES**

The Directors believe that it is in the best interests of the Company and its Shareholders as a whole to have a general authority from Shareholders to enable the Directors to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or earnings per Share and will only be made if the Directors believe that such repurchases will benefit the Company and its Shareholders as a whole.

### **3.    FUNDING OF REPURCHASES**

In repurchasing Shares, the Company may apply funds legally available for such purpose from distributable profit or funds from a new issue in accordance with its Memorandum of Association and Articles and the laws of the Cayman Islands.

That is to say, any repurchase of Shares may be purchased out of capital paid up on the repurchased Shares or the profits of the Company which would otherwise be available for dividend and, in the case of any premium payable on such repurchase, out of profits of the Company which would otherwise be available for dividend or from the Company's share premium account or its contributed surplus account.

On the basis of the combined net tangible assets of the Group as at 31 December 2017, and taking into account the current working capital position of the Group, the Directors consider that there would be no material adverse effect on the working capital and gearing position of the Group in the event that the Repurchase Mandate was to be exercised in full at any time during the proposed repurchase period. The Directors do not propose to exercise

---

## APPENDIX I      EXPLANATORY STATEMENT ON REPURCHASE OF SHARES

---

the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing position which in the opinion of the Directors are from time to time appropriate for the Company.

#### **4. EFFECT UNDER THE TAKEOVERS CODE AND ON MINIMUM PUBLIC HOLDING**

If, as the result of a Share repurchase, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. In certain circumstances, a Shareholder or a group of Shareholders acting in concert (depending on the level of increase of the Shareholders' interest) could as a result of the increase of its or their interest, obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

Assuming that no further Shares will be allotted and issued or repurchased from the Latest Practicable Date to the date of the AGM, on exercise in full of the Repurchase Mandate, the number of issued Shares will decrease from 1,016,189,000 to 914,570,100.

As at the Latest Practicable Date, Great Wall Enterprise, through its wholly-owned subsidiary Great Wall International (Holdings) Ltd., which in turn through Waverley Star Limited and Asia Nutrition Technologies Corporation, its wholly-owned subsidiaries, held a total of 528,824,852 Shares representing approximately 52.04% of the entire issued share capital of the Company.

If, which is not presently contemplated, the Directors exercise in full the power to repurchase Shares under the Repurchase Mandate, the shareholding of Great Wall Enterprise would be increased from 52.04% to 57.82% approximately as a result of a decrease in the number of issued Shares. Such increase will not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors are not aware of any consequences which may arise under the Takeovers Code as a result of any repurchases made under the Repurchase Mandate. As at the Latest Practicable Date, so far as is known to the Directors, no Shareholder may become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code in the event that the Directors exercise the power in full to repurchase Shares pursuant to the Repurchase Mandate.

The Company has no intention to exercise the Repurchase Mandate to the effect that it will result in the public float falling below 25% or such other minimum percentage prescribed by the Listing Rules from time to time.

---

**APPENDIX I      EXPLANATORY STATEMENT ON REPURCHASE OF SHARES**

---

**5.    SHARE PRICE**

**7.    GENERAL**

None of the Directors, and to the best of their knowledge having made all reasonable enquiries, nor any close associate of any Director, has any present intention in the event that the Repurchase Mandate is approved by the Shareholders to sell any Shares to the Company.

No core connected person of the Company has notified the Company that he has a present intention to sell Shares to the Company, or has undertaken not to do so, if the Repurchase Mandate is approved by Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make purchases pursuant to the Repurchase Mandate in accordance with the Listing Rules and the applicable laws.
